RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Sir:

In response to the Election of Species Requirement mailed October 4, 2005,  
applicants provisionally elect Species I. Applicants respectfully submit that at least claims 1-  
10 read on Species I and that claim 1 is generic to all species outlined in the Office Action.

Applicants traverse the election requirement since it is believed that the species  
outlined on page 2 of the Office Action are sufficiently related that all species could be  
searched and examined without serious burden on the PTO.

Should the Examiner deem that any further action by the Applicants would be  
desirable in placing this application in even better condition for examination, the Examiner is  
requested to telephone Applicants' undersigned representative.

Respectfully submitted,
